To apply, please submit this form along with a short video or audio recording (max. 2 minutes). Your video or audio should outline:

- What is your idea?
- Who will be involved?
- How will it make a difference?
- How much money are you asking for? (Max. £500)

The videos don't need to be anything fancy – a single take on a mobile is great. We just want to hear the students' ideas first hand!

Please submit your application form and video to grants@gmyn.co.uk via WeTransfer by 5pm on Friday 18th October 2019.

Winners will be announced on Wednesday 23rd October 2019 and projects must be completed by the end of March 2020.

PLEASE NOTE: All data will be stored in line with GMYN's GDPR and privacy policy which can be found here: <https://www.gmyn.co.uk/main/privacy-policy/>

We will only keep media applications from successful applicants and hope to share videos for successful applications via social media. However, consent for this is not a requirement and will not affect your ability to apply. We do not want this to be a barrier and can be flexible with media applications: video, audio recordings, image slideshows or staff featuring instead of students, for example. If you have any questions or concerns, please feel free to contact us to discuss options.
